

AGN. NO. ____

MOTION BY SUPERVISOR ZEV YAROSLAVSKY

November 4, 2003

It just came to our attention that Sierra Systems, Inc. (Sierra) failed to deliver an integrated HIPAA Transactions and Code Sets (TCS) system for the Department of Mental Health's production use by its compliance deadline of October 16, 2003. Timely compliance with HIPPA TCS implementation is extremely important.

I, THEREFORE, MOVE that the CIO require Sierra to submit a corrective action plan by November 18th, and that the CIO present a status report to the Board on November 25th, 2003.

I FURTHER MOVE that the County not enter into any new or extended contracts with Sierra until the corrective action plan is presented and approved by the Board.
